

# A ALLAN ADCOCK

## Working 1930's

Only original art seen is a gouache study for the AUSTIN MAGAZINE and ADVOCATE, front cover, dated October 1935, volume 9, No 1, special Olympia number, showing Austin cars at Olympia Motor show, signed, Adcock '35.

Another AUSTIN MAGAZINE and ADVOCATE cover dated July 1939 has also been noted. Signature appears to be A Allan Adcock and looks like /37 but surely /39 as the model details would have changed over 2 years.
