*The Motor*

Over 140 m.p.h. on the Road.

**Segrave driving V12 Sunbeam at Boulogne 1926**

Roaring by like a thunderbolt! Major H. O. D. Segrave driving the 12-cylinder 389 h.p. Sunbeam with which he averaged 140.146 m.p.h. for four miles on a give-and-take road at the Boulogne Speed Trials on August 26th. It was one of the most thrilling sights of its kind ever witnessed.
