

# E FAIRHURST

1874 - 1945

Mr. MacWhiskie, when driving home after a Yuletide festivity, discovers that the best place for "spirit" is the petrol tank.

This illustration is found in *The Car – Illustrated* magazine in late 1904. I assume E Fairhurst (1874 – 1945) is in fact Enoch Fairhurst a fairly well known illustrator who was born in Bolton, Lancs and worked for the Bolton Evening News, Punch and the Illustrated London News plus did other book illustrations
