

## JOHN R HARRISON Working 1920's – 1940's

Rover advertisement front cover design for The Motor Owner magazine October 1928. Also worked for the Rootes group producing sales catalogue art. Did a lot of work for Humber and Hillman in the 1930's. See Lots 402-411 Brooks 23<sup>rd</sup> April 2001. Interesting to see on his business card that he described himself as a Car and Aircraft specialist illustrator!
