*Sports 2-seater* 

EXCEPTIONALLY smart two-door Coach-built Body, giving maximum leg room and comfortable seating. Luggage can be carried in the locker provided behind the seat squab. Fitted with either a Vee or Flat Single Panel Screen.

With its low centre of gravity it will hold the road at any speed. For weekend runs or long tours at high average speeds this machine is perfection.

With S.V. W.C. Engine £ 110  
With O.H.V. A.C. Engine £ 115  
With O.H.V. W.C. Engine £ 120

Nothing known about this artist except he was responsible for the front cover design and internal plates of the 1935 Morgan cars sales brochure.
