

CHRIS D WATKISS

Working 1940's and 1950's

Artwork of Roadster for 1949 Riley sales brochure – Image courtesy of Tom Brierley

Art for Riley sales brochures for example 1.5 and 2.5 1949 and 1950 brochures. Somewhat in the style of Wootton. Interesting that Riley in the 1949 brochure used art by both Watkiss and Connolly in the same publication.
