

# JOHN BARTLETT (NIBZ)

1960's – 1980's

Cartoonist for The Autocar and Car and Conversion magazines. Work also appeared in the Mirror newspaper and Reveille and Tit Bits magazines. Cartoons were signed with the pseudonym NIBZ. Autocar published a book of his cartoons which is numbered No.1 as though a series was planned. I have only seen the first volume and do not think NO. 2 was printed.
