

HARRY WHINCAP

Working 1920's

Artwork for a Hupmobile advertisement in *The Motor Owner* December 1920. Also noted an RAC advertisement in 1924.

Motorists who love a car for its "sporting" qualities are especially attracted by this light, dainty little vehicle. Fast, economical, handy, it is the best value on the market at its price, £270, which includes dynamo lighting, lamps, and five detachable wheels and tyres.

Fitted with 8-10 h.p. water-cooled horizontal twin engine, 1021 c.c.; full-flow magneto; Unicam-Johnson carburettor; force feed and splash lubrication.
